United Methodist Church

Dear Clergy Colleagues and SPR Chairs:

It is time to think about clergy evaluations once again. We have intentionally kept the format simple, wanting this to be a collaborative and visionary process. Annual evaluation is required of all clergy (Elders, Deacons and Local Pastors) serving an appointment in a local church. This includes both the Clergy Self-Assessment form and the SPRC Assessment form, and you may add to it as you wish. We have also included the list of Knowledge, Skills, Abilities and Personal Characteristics to help guide your process. Our hope is that once these forms are completed, you will meet together to build a ministry plan for the coming year, which will bear much fruit for Jesus Christ. We view this as a collaborative effort in which clergy and SPRC share responsibility for the success of ministry in the coming year.

Once you have met to discuss these questions, please email (or mail) them to the District office (peaks-plains@rmcumc.com) or 6110 Greenwood Plaza Blvd, Greenwood Village, CO 80111. They are due by Friday, May 1, 20__.

As you know, the Cabinet takes these annual evaluations very seriously as we support, supervise, and appoint clergy. We are so thankful for your shared commitment to create excellence in ministry as we make disciples of Jesus Christ who can transform the world.

Gratefully,
