

## *Rocky Mountain Conference of The United Methodist Church*

---

**To:** Active HealthFlex participants (clergy and lay), local church treasurers and SPPR Chairs  
**From:** Jana Collins-Benefits and Property Coordinator  
**Subject:** 2016 HealthFlex Premium Rates/Information  
**Date:** September 1, 2015

Here are the 2016 rates for all active health insurance participants. As in previous years, these rates include dental coverage and vision coverage.

Category	Monthly Rate	Annual Rate
Single	\$ 820.00	\$9,840.00
Two-Party	\$1,540.00	\$18,480.00
Family	\$1,960.00	\$23,520.00

Starting in 2016, you will have the option to choose between two very different HealthFlex plans. One is very similar to our current PPO Plan with a higher deductible, and the other is a Consumer Driven Health Plan. The new plans will become effective January 1, 2016. You will be asked to choose your Plan during the Open Enrollment period in the fall of 2015.

Starting on 1/1/16 the HMO dental plan is being discontinued. Therefore, there will be no extra cost for the traditional plan. If you are currently on the HMO plan you will be automatically enrolled in the traditional plan.

Detailed information about HealthFlex can be located on the Rocky Mountain Conference website. [Health Benefits Information](#)

Please make sure you are registered on HealthFlex WebMD to maximize your savings. **It's time to take the HealthQuotient (HQ), before September 30, to save on your 2016 deductible!** Here is a link to access the Health Incentives that are available with the plan. [Personal Health Manager](#)
